#### **Minutes**

##### **1 Confidential minutes**

The confidential minutes of the meeting on 21 January 2010 were agreed and signed for the record.

##### **2 Meeting review**

Members felt that the presentation on Dial-a-Ride was interesting and the progress was important. At their next scheduled meeting more time would be allocated. A member felt a briefing note should be provided to give members more information. London Councils door-to-door review was not progressing. All buses were now accessible though not all stops. Evidence is therefore needed on who is using Dial-a-Ride. The Senior Policy Officer felt that the question posed on value for money was Dial-a-Ride services or making all stations/stops accessible.
